Parental Release Form

I wish for my child _____ to participate in the LPYSBA program this summer. I understand accidents and injuries may occur due to the nature of the game. I agree to take full responsibility for all cost resulting from such injuries. I understand that all parties associated with this program are volunteers, and will release them from all claims to rights to damages for injuries and/or losses suffered by me or my child, whether by training, attendance in or traveling to and from this practice/game, and further I state that I have adequate health and accident insurance to cover any injuries or sickness incurred during this practice/game.

Are there any health problems your child's coach should be aware of?

As a parent, I will support my child by attending as many games as possible, and by being a positive spectator by cheering the team on, rather than yelling at umpires and others. I will remember to appreciate those who volunteer their time on behalf of my child and treat them with respect and cooperation. I will help out in some way, if possible.

This organization is here for the enjoyment of your child(ren). To teach them new skills and sportsmanship, and to have fun!! Your involvement is very much appreciated.

Parents Code of Conduct

You are expected to conduct yourself in a way that will enhance your child's experiences. Your interaction with other parents, players and coaches is extremely important and should be viewed as a priority to establishing a positive learning environment. The following are guidelines we ask of each parent:

1. While attending practices and games, be supportive of the coaches, officials and administrative staff running these events.
2. Get to know each player, parent and coach associated with your team. Support the efforts they make by getting involved and offering assistance and encouragement throughout the season. Also, encourage your child to support their efforts as well.
3. Refrain from the use of alcohol, tobacco, and vulgar and profane language at all events.
4. During games, be positive towards the game effort of each player, coach and official regardless of score and outcome.
5. Never approach coaches or officials in a physical, violent or abusive manner. Always address issues in a mature manner by scheduling a meeting or discussing the issue in private.

I have read, understand, and agree to these guidelines requested of me as a parent of a player. I also understand that continual violations of these guidelines may result in my being banned from all games and practices and/or my child being dismissed from the team with forfeiture of any and all entry fees.
